That Time of the Year

This is that crazy time of the year when we try to fit so much into such a tight time-frame. In the school arena we have reports, student placements for the following year, Year 6 graduation, end of year concerts plus any number of events associated with the end of the school year. This is not to mention all the other stresses we have on our lives outside of the school context. It seems that everything has to be done before Christmas and we are all very busy.

And then, seemingly from out of nowhere, a group of students come forward with the intention being to help the less fortunate get through this demanding time of the year. I refer to the Year 6 students who, entirely of their own volition, are promoting the programme whereby children are encouraged to bring cans to school, to be donated to the Salvation Army Food Bank. The support from our community has been wonderful and I am sure that this will continue to be the case. Thank you to our community minded students for having the fortitude to see their plan through to fruition.

Roll on a Christmas where all children are well fed. It puts a lot of other things into perspective.

Could you please send at least one can of food to school with your child. We are collecting cans for the Salvation Army to help people less fortunate who cannot afford food. The collection/competition will run from the 21st of November to the 2 December. Thank you for your support. Please watch the following link for more information:

APPA Music Festival Choir 2011

The Auckland Primary Principal's Association (APPA) Festival takes place in the Auckland Town Hall in November each year. This is a huge event which incorporates choirs from the greater Auckland region and is always a highlight in our CBS musical calendar.

Our choir performed last Tuesday night to a sold out audience. It was a fabulous evening with a wide ranging repertoire including instrumental and dance numbers. Our choir were superb with Grace Poloai and Isabella Howarth performing solo in 'Keep Holdin On' and 'Dare to dream'. Our CBS Kapa Haka group also took to the stage for 'Nga Iwi E' and blew everyone away with their rousing Haka at the end.

Parents can view photos on our ultranet under Events - Choir.

Congratulations on a first rate performance Year 6.

Papa Smurf

Papa Smurf will be making an appearance at CBS this Wednesday. As a result of the wonderful support from our community for the Rugby 'Athon, the principal will be appearing as Papa Smurf (as overwhelmingly voted for by the children). Weather permitting; Papa will make his first appearance in the bus bay before school on Wednesday. Photos are permitted, but no paparazzi, please.

- Get your ticket ticked each time you walk on the walking school bus. Your walking school bus driver will give you a ticket.
- Do 10 walks - get 10 ticks.
- Put your filled ticket (10 ticks) into the walking school bus prize draw box in the library.
- Wait until assembly to see if you are a winner!

Banking at Campbells Bay School

A decision has recently been made to change banks. Campbells Bay School will now be banking with ASB Milford branch.

If you make any online or automatic payments to us (whether it is for school donations or one off payments for sports teams etc) we will need you to update our details so that your payment reaches our new account. Please note that this does not include any payments relating to PTA events/fundraising, as these are kept completely separate from the school account.

Our new account number is: 12 - 3042 - 0417801 - 00

In order to help us with a smooth transition, we would appreciate if you could please update your banking details as soon as possible for your next payment into our new ASB account.

Should you have any question, please contact the school office. The school Board of Trustees has made this step to improve efficiency and we thank you for your help and support during the changeover.
